WENDY BOTH

Dutch Model turned Reiki Master, Intuitive Guide,
Medium and Trained in CBT.

Works with animals,
people and the community.

It is the combination
of her psychic intuitive abilities,
mediumship, Reiki and CBT
training that helps to heal her clients.

*My years of modeling and its superficial
validation made me yearn for deep
meaningful soul connections
that go beyond the physical.*

“The thing is,
you can't see
the whole path
anyway
and it will shift
and reveal itself
along the way.
It's important
to stay completely
open to what
the universe
has in store for
you, which is
usually much
better than
you could have
imagined it.”

“I live for today
and in the moment
and not look too far
ahead.
It's good to
plan for the future
and take an action
towards that
but then to shift
your focus back
to today and the
present moment.”

“My existential closet?

It's filled with hats.
Those proverbial hats
I wear on any given day:
Mother. Ex-Wife.
Daughter. Sister.
Friend. Healer.
Medium. Model.
Wedding Officiant.
Notary.
Adrenalin Junkie...”

As an intuitive guide,
I use my psychic-intuition
to see, hear and feel
information
to answer my
client's questions
and concerns.
In addition, I
also communicate with
the afterlife as a medium
to help clients reconnect
with a loved one who has
passed on.

CBT, or cognitive
behavioral therapy,
is a technique that
can help people
find new ways
to behave
by shifting their
thought patterns.

I guide them
in healing
old mental
and
emotional
wounds
that keep
them stuck.

THE POWER OF INTUITION

“By letting go of the fear and frustration that so
often runs our lives, we naturally become more empathic, which allows us
to connect to people and the world around us more easily.”

“

Perhaps the experience that had the most impact on me was a fashion shoot in Tunisia where I rode barefoot on this beautiful Arabian Horse flying through the sand at max speed with the client and photographer trying to capture us along side in a Jeep. It's amazing what a horse can do for your soul. I always feel peaceful, total harmony, and complete freedom.”

“

There's a quote that I love

“if only our eyes saw souls instead of bodies,
how very different our ideals of beauty would be.”

~Lauren Jauregui

The relationships that I've cherished the most are the ones that allow me to feel completely comfortable being myself.

I love being with someone
who appreciates me most when I am au natural!”
